## Local Artist Gets Grant

Clifford Maracle returned briefly to his native reserve last week to accept a federal government cultural scholarship. The \$150 grant is from the Indian Affairs Department.

Mr. Maracle is preparing to graduate from the Ontario College of Art and has two books of his work being readied for publication. He has had entries accepted for an Indian cultural display at the Royal Ontario Museum and has had commission from the federal government for paintings and sculptures for a convention hall in Moosonee. Mr. Maracle concentrates on the Indian making his way in the city, rather than on reserve life or folklore and legends.

Scholarships such as the one awarded Mr. Maracle are "an incentive for Indian students who are trying to make a future by themselves", said Quinte

Mohawk Chief William Brant.

The Chief joined Kay Hill, Tyendinaga's post-school counsellor and Douglas Scott, education superintendent from the Indian Affairs Department, Kingston District, in presenting the cultural award.

## water project

Two members of the Ministry of the Environment were scheduled to speak to Town Council on Monday evening to discuss the water proposal for the Town of Deseronto.

However, the two men were delayed and did not arrive in time for the regular meeting. Therefore, a special meeting of Council was called at 9:12 p.m. to deal with the proposal.

The Ministry has advised that the same overall capital cost total of \$1,338,606 applies, but that the service rate charge has been recalculated due to the fact that the system of frontages and connection charges no longer applies. They originally estimated this at 82¢ - 4¢ per thousand gallons, but this has risen to 99¢ per 1000 gallons. 75% of the capital cost is subsidized by the provincial government.

The previous home charge was estimated at \$115.68, but this has been changed to \$110.30, and could possibly average as low as \$90 per house. This means that it might be possible for the residents of Deseronto to have new sewer and water services for an average of \$218.60 per year, or approximately \$18.22 per month.

In the first year, Council will need to raise \$52,767, up from \$51,363, the increase of \$1404.00 due to interest rates, and the fact that there is no fixed income on the fund.

The Ministry of the Environment has asked Council for an agreement by-law and a

## MOBILE OFFICE TIMES

Jack Ellis, MP Hastings, has announced the hours of the new mobile office for the next two months. The office which was announced in February is intended to allow constituents in the area to have better and more personal access to the member of Parliament.

In making the announcement, Mr. Ellis indicated that he wished all of the constituents in the particular area, not only those with problems, to drop in and say hello. In each case the mobile office will be near the centre of the community indicated. The dates and times are as follows:

MARCH 9th	DESERONTO	9:00 a.m. to 1:00 p.m.
	Marlbank	2:00 p.m. to 4:30 p.m.
	Melrose Hall	7:00 p.m. to 10:00 p.m.
March 23rd	Madoc	9:00 a.m. to 1:00 p.m.
	Queensboro	2:00 p.m. to 4:00 p.m.
April 6th	Tweed	9:00 a.m. to 12 noon
	Thomasburg	1:00 p.m. to 3:00 p.m.
	Plainfield	3:30 p.m. to 5:30 p.m.
April 14th	Marmora	9:00 a.m. to 12 noon
	Deloro	1:00 p.m. to 4:00 p.m.
May 4th	Bancroft	9:00 a.m. to 1:00 p.m.
	Coe Hill	3:00 p.m. to 4:00 p.m.

by-law to cover service rates. These were passed. The Min-

istry will then arrange for a Ontario Municipal Board hearing, and, pending the outcome of the hearing, approve final design and tendering.

## RATEPAYERS

The Deseronto Ratepayers' Association will be meeting on Thursday, March 7 at 8 p.m. in the Deseronto Public School. All are welcome to attend.

## WHAT COUNCIL DID

At the regular meeting of the Deseronto Town Council, held Mon., Mar. 4 at 8:00 p.m., all councillors were present with the exception of Councillor Whalen. Mayor James Sharpe was also absent, and Reeve George Lyons presided. During the regular meeting, council:

- received two letters concerning trees which were referred to the Streets Committee.
- received a letter from the

Eastern Region of the Ministry of Transportation and Communications concerning illumination of the Marysville intersection. They advised that the matter of lighting is up to the Township, and that the present lighting meets their requirements.

- were advised by the Napanee Region Conservation Authority that the levy for Deseronto will be \$847.27.
- received a letter from the Quinte Emergency Mea-

## Water Survey

An underwater bottom survey is now being conducted near Metcalfe Foods Ltd. by the firm of Young and Forbes, Diving and Mine Co. of Toronto to investigate the extent of work required for the new water intake for the town.

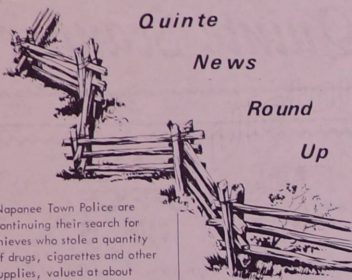

The company is taking soundings, probing the bottom and making underwater visual and photographic inspections to determine the extent of overburden, and whether or not blasting will be required.

The crew will be here until Wednesday (today) and are making 3 foot by 3 foot holes at 100 foot intervals. They point out that the public should be extremely cautious in approaching by ice, as these many holes render the ice extremely unsafe.

The survey is being made for L.S. Love Associates, Consulting Engineers for the Ministry of the Environment, and is primarily for tender purposes.

Round  
Up

Napaneer Town Police are continuing their search for thieves who stole a quantity of drugs, cigarettes and other supplies, valued at about \$5,000. The theft took place at a downtown Napaneer drug store. Sometime after 3.30 a.m., thieves smashed their way through the roof of the Eaton's store next door and chopped a large hole through the connecting wall. More than half the stock of cigarette cartons was stolen, with about \$80 in cash, some soft drinks and several watches. A quantity of "pep pills" was also taken.

The Picton Recreation and Parks Department has established a series of drop-in centres for teenagers in Picton and Community. Several church halls, as well as the gymnasium of Prince Edward Collegiate have been utilized to provide a place "to sit and talk" for local young people.

A.D. Alkenbrack, MP Frontenac, Lennox and Addington had a humorous description for the House of Commons: "I suppose the House of Commons can be likened to the hog industry - the members have their noses in the trough, there is quite a lot of squealing going on, and it is easy to get one's throat cut if you are not careful."

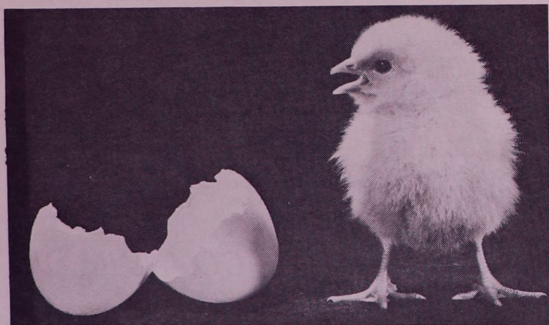

The Prince Edward Collegiate Safety Quiz Team last week downed Earl of March Secondary School of Ottawa, a win which sends them on to meet Thunder Bay and Bracebridge Schools in the semi-finals in Oshawa. The winners of that meet will enter the finals to be held in conjunction with the Industrial Accident Prevention Association annual meeting at the Royal York Hotel in Toronto on April 8th.

Napaneer Parks Commission Chairman Reginald Vick reports the old "outdoor plumbing facilities" at Springside Park are coming down. A new building with more modern and private facilities is nearing completion.

Thurlo volunteer firefighters spent nearly three hours fighting a house fire on the Shannonville Gravel Road. The fire, reported at 2 a.m. Sunday was believed to have started in an upstairs closet in the home of Joe and Agnes Moore. Damage was confined to a closet, an upstairs bedroom and the attic of the large two-storey frame house.

Marble Veneer, the name of a company manufacturing marble veneer for the building industry, is locating at the Lock Sloy industrial site, at Prince Edward Heights in Picton. The plant will initially employ between 23 and 25 people when production commences.

## Do something about the cost of prescriptions.

Ministry of  
Health

Ontario

Hon. Frank S. Miller,  
Minister

You can. Three things, in fact.

1. When your doctor gives you a prescription, ask "Is this the lowest cost drug of its kind?" It's easy for him to check.
2. Take your prescription to a pharmacy which displays the PARCOST symbol. It guarantees just what it says: Prescriptions At Reasonable COST.
3. When your pharmacist fills the order, ask again, "Is this the least expensive one?" He has the PARCOST Index which lists drugs by price.

Saving money beats clucking over high costs.

## RECREATION GREAT SUCCESS

The Pool Tournament sponsored by the Deseronto Recreation Committee, held last Saturday was a great success, despite the fact that there were only 22 entries. This was the Committee's first attempt at this kind of recreation, but, with the assistance of John Duffield, the owner of the local pool room, another tournament is in the planning stages. The next meet will be run as a singles competition.

The Recreation Committee would like to show its appreciation of three local teenagers: Dave Breault, Steve Heffernan, and Del Wannamaker, who helped with the refereeing. The overall winners of the tournament are Del Wannamaker, Sr., and Marvin Brooks. Runners-up are Ken Clements and Bruce Wells. Trophies were donated by Melchers Whiskey.

The Recreation Committee is urging players to immediately register for the next tournament, and would like to thank all concerned for their support.

## Deseronto

A meeting of the Deseronto Public School Parent Advisory Committee will be held in the school library on Thursday, March 7 at 10.00 a.m. It is hoped that representatives from the night school program will be in attendance as well as anyone else interested in any or all aspects of school life. It is suggested that each member bring someone else who may be interested.

Items on the agenda for this meeting are: - discussion of promotion policy and practice - possibility of interest classes/activities in the evening for children and teenagers - open

A large number of women from local churches were in attendance at the World Day of Prayer held last Friday afternoon at St. Mark's Anglican Church. "Make Us Builders of Peace" was the theme for this 1974 Service drawn up by the Women's Committee of the National Christian Council of Japan. The message given by guest speaker, Mrs. Beverly Thompson student minister in the United Church, stressed the fact that each individual needs to be able to accept the peace that God offers us before we are able to spread peace to others. Following the service a social hour and refreshments were enjoyed in the Parish Hall and many took advantage of the opportunity to welcome Mrs. Thompson to the community as well as to express their appreciation of her address.

The Quinte Old Timers met on February 20. The president,

Gordon Walker mentioned the Voyageur bus rates as being reduced for Senior Citizens. Mr. Wilker also spoke on income tax rebates for Senior Citizens. A St. Patrick's Progressive Euchre and Bridge was planned for March 12 in the basement of the Medical Centre. Mabel Moon chose her committee for the euchre, these being Stella Topping, Ethel Brown and Marguerite Harvey. At the drop-in on Feb. 27, members enjoyed euchre at the first part of the afternoon, the rest of the time they enjoyed the singing of old time songs. Millie Burley played accompaniments on the piano.

Demorestville Friendship United Church was packed on Sunday, March 3, for a special Scout and Guide Service. Scouts, Cubs, Guides and Brownies attended the service which was led by a Scout. Th Guides Mary Mowbray and Cindy Short read Scriptures. This was followed by cubs, brownies, guides and scouts, in turn, saying their prayer and repeating their promise. The sermon was given by Rev. William Cullen.

Some very special presentations were made during the service. Canada Cards, one of the highest achievements in Guiding, were presented to Guides Mary Mowbray and Vera Allison of the 1st Northport Guide Company. The cards were pinned on by Guide Captain, Mrs. Roy Rosborough. Skyway District Commissioner, Mrs. Earl Keech, of Deseronto, then presented each of the girls with a certificate in recognition of their achievement. The beautiful red and white Canada Card comes only after several years of work with the Guide program and is preceded by the blue and white "All Round" card. On Sunday, another Northport Guide proved that she was working well with the program as she was presented with her "All Round" card by the Guide Captain. This young lady, Lynn O'Brien, was also congratulated by District Commissioner Keech and received an All Round Card certificate for her efforts. Rev. Cullen gave Religion and Life emblems to the following Brownies of the 1st Northport Pack: Crista Rosborough,

## The income tax help system and how to make it work for you.

As you know by now, we changed a lot of things last year. We gave you a new return, a new Guide, several new deductions and a few new rules. And quite honestly, we were more than a little concerned about your reaction to it all. (And very, very interested in your opinions.)

Well, now that we've had time to really look back at it and assess it honestly, it appears that most taxpayers did not seem to find it too difficult. The error rate did not accelerate greatly or change drastically from former years. Generally, most taxpayers seemed to handle their new returns fairly well.

However, Income Tax will never be the easiest or most enjoyable thing in anyone's life. And it will always present problems in some areas, for some people. That's expected and understandable.

So, what we want to do now is really work on those problem areas. And the best way to do that is to work with you, individually, on whatever part of Income Tax that causes you difficulty.

And that's what April Aid is all about. It's a help system and its primary objective is to ensure that whenever or whatever you need help with, you can get it. And know how to get it.

**And this is how it works:**

**First.** Your Guide is always the best answer when you have a problem. Read it. Follow it. It not only gives explanations, but in many cases, examples of just how to figure something out.

**Second.** If you're still confused or something just doesn't seem to work, phone. The number of your own District Taxation Office is below and at the end of that number there are people whose only job is to help taxpayers with problems, by telephone. And on Mondays and Tuesdays phone lines are open 'til 6 p.m. So don't hesitate.

If you live outside the office area, call the Operator and ask for Zenith 0-4000. She will automatically connect you to your own District Taxation Office. Remember, all calls are free, all questions are answered, and if you have queries, we want you to call.

**Third.** Some people prefer to talk things over in person. If you're one of them and have problems, drop by for free help. Anytime. The address of your District Taxation Office is below.

**Fourth.** Write. To the address below. Explain your problem as clearly as possible and include all information. (And your return address, please.) In return, we'll answer all letters as quickly and clearly as possible. Remember—if you need help, it's there. (And free.) And you have to do as is asked.

**April Aid.**  
The Income Tax help system.  
Let's make it work for you.

**Together,  
we can get it  
done.**

MRS. HELEN HAMILTON

Mrs. Helen Hamilton of 90 Mill St., Deseronto died on February 25th, 1974 at Belleville General Hospital at the age of 79 years.

She was born on March 12, 1894 in Deseronto and was the daughter of the late Rubin Cronk and the late Sarah Jane All. Mrs. Hamilton was the dear wife of Alton J. Hamilton and resided in Deseronto since 1945, living in Kingston prior to that. She worked in the Deseronto Post Office as a clerk and also as the Librarian for the Deseronto Public Library. She was a member of the Church of the Redeemer in Deseronto.

Mrs. Hamilton is survived by two sisters, Margaret (Mrs. Judson Krapp) of Ottawa and Mintchie (Mrs. Charles Phoenix) of Oxbridge, Ont. She was the dear aunt of several nieces and nephews.

Service took place on Wed., Feb. 27th with the Rev. Robt. Jones officiating. Pall bearers were Ernie Luck, Don Hubble, Ed Harvey and Tom Doyle. Interment followed at the Deseronto Cemetery.

## THIS WEEK

from Ottawa

### PARLIAMENT MEETS

The second session of the 29th Parliament opened on Wednesday, February 27th. The new Canadian Governor-General, Jules Léger, delivered his first Speech from the Throne. The party standings in the House of Commons at the resumption of Parliament are: Liberal - 109, PC - 106, NDP - 31, Social Credit - 15, Independent - 1, Vacant - 2.

### GUARANTEED INCOME

Federal Welfare Minister Marc Lalonde and Manitoba's Health and Social Development Minister Saul Miller announced the beginning of an experimental guaranteed annual income project that will involve 2,500 Manitoba families over the next three years. The

first dozen families will start receiving their guaranteed monthly incomes within two weeks.

The federal-provincial experiment will cost \$17 million. The federal government will pay 75% of the monthly payments and the Manitoba government 25% to the families, all of whom volunteered for the project.

The experiment will test the usefulness of a guaranteed annual income scheme.

### STUDENT SUMMER JOBS

Secretary of State Hugh Faulkner announced that private social service agencies in Ontario will receive \$732,000 from the federal government this summer to

hire 240 university and community college students.

### DONALD MACDONALD - MAN OF THE YEAR

The Toronto Globe and Mail's Report on Business has named Energy Minister Donald Macdonald as 1973 Man of the Year. The newspaper praised the minister's handling of his difficult portfolio during 1973.

Otto Lang, Minister responsible for the Wheat Board, announced that Canadian farmers will receive substantial price increases for wheat, durum and barley. Effective March 1, the initial price for all grades of Milling wheat will be raised by \$1.50 a bushel, durum wheat prices go up by \$2.00 a bushel and barley increases by 75 cents a bushel.

### NOVA SCOTIA ELECTION

The Nova Scotia provincial election has been set for April 2. This is Premier Gerald Regan's first bid for re-election. The party standings at dissolution after two previous by-elections were: Liberal - 24, PC - 19, NDP - 2, Vacant - 1.

## Deseronto Police Report

In the month of February, there were three reportable motor vehicle accidents with a total estimated damage of \$2,300.00. There was one accidental death reported.

Deseronto Police laid 7 charges under the Criminal Code, 5 under the Liquor Control Act and 13 charges under the Highway Traffic Act. There were 18 tags issued for Parking Violations.

The Police investigated 61 complaints and received 417 other calls. 4 persons were arrested for other forces, and 9 summonses served for other forces. One premise was found insecure. 6 unoccupied house checks were made, with no housebreaking occurrences reported. There was one shop-breaking occurrence, 1 theft over \$50.00 and 3 thefts under \$50.00. Value of property stolen totalled approximately \$415.00; value of property recovered totalled approximately \$15.00.

The Deseronto force accumulated 503 hours in court time, and the police cruiser travelled 1,976 miles in February.

### ONTARIO'S NEW TAX CREDIT SYSTEM:

## 2 out of 3 Ontario residents who file income tax returns this year will share \$300 million in tax credits.

(Even if they don't pay income tax!)

Families, pensioners, roomers, boarders, the handicapped and others will benefit. Ontario's new Tax Credit System provides for three separate credits, and here's how they work:

1. People who own or rent (including roomers and boarders) may share in the **Property Tax Credit**.
2. People who fill out a Federal income tax return may share in the **Sales Tax Credit**.
3. People over 65 may share in the **Pensioner Tax Credit**.

**You must fill out a Federal income tax return.**

The new purple Ontario Tax Credit Form comes attached inside it. So even if you don't pay income tax, you should still file a Federal income tax return with the Ontario Tax Credit Form this year.

**We want you to get your fair share of Ontario's tax credits.**

HEES & ELLIS GET TOGETHER

## MP'S SUPPORT FARMERS

Jack Ellis, MP Hastings, and George Hees, MP Prince Edward Hastings teamed up last week to try and force the the Government into a statement of support for dairy farmers. The concerns of the area dairy farmers had been expressed to the Members at a number of meetings during the recess.

The answers received from the Minister, while not entirely satisfactory, indicated that he was working on the problem. Both Ellis and Hees felt that the Minister was sympathetic,

but was having difficulty with his Cabinet colleagues.

"One of the main reasons farmers are not enlarging their herds and therefore production, was because they could not be sure of a reasonable return with no clear Government policy in this area and a large portion of their income coming from the Federal Department of Agriculture" said Mr. Ellis.

Mr. Hees added that a program of grants and low interest loans, similar to those granted to industries, would help interest young people in farming.

Mayor James Sharpe recently attended the annual Ontario Municipal Electric Association Meeting

## ATTEND MEETING

Public Utilities Commissioner Adrian McCormick and Mayor James Sharpe, representing the Deseronto Public Utilities Commission were among some 1500 delegates at one of the most important conventions ever held by the Ontario Municipal Electric Association. The annual meeting, held at the Royal York Hotel in Toronto, March 3 to 6, involved discussion on some of the most crucial issues in the Association's 65 year history.

The OMEA represents about 350 municipal electric commissions who distribute power to about two million households.

Much of the discussion centred on the government's recent decision to appoint only two OMEA members to the new 12 man Ontario Hydro Board. The Association's official view is that this does not represent the local municipalities' ownership of the electricity system. As well,

OMEA needs more representation on the Board to continue its traditional role of safeguarding electricity consumers' interest, particularly in the area of rates.

Darcy McKeough, Ontario Minister of Energy and George Gathercole, Chairman of Ontario Hydro, spoke to the meeting.

## Area Pianists Win Praise At Festival

Seven young pianists from the Napanee and Deseronto area performed at the sixth annual Rotary Music Festival in Belleville last week.

All received marks of excellence and for several it was the first music festival they had competed in. The students are pupils of Mrs. H.T. (Betty) Stimpson.

Those who participated were: Stephanie Boomhour, daughter of Mr. and Mrs.

HARD TO FIND

## JP PROBLEMS

Each time Quinte Mohawk police officers have to swear out a summons, they must go to Belleville to find a justice of the peace.

Constable Richard Brant told Tyendinaga Reserve Council last week that it's often difficult to locate such an official in the city, and that the problem becomes particularly acute when officers must swear they have served a summons. Some reserves have a resident justice of the peace. The Mohawk force often serves on the reserve for provincial and other local police forces.

KINGSTON FESTIVAL

## NDSS Band Rated High

The Napanee District Secondary School senior concert band, under the direction of Ernest W. Dougherty, received a top rating at the Kingston Kiwanis Club second annual music festival.

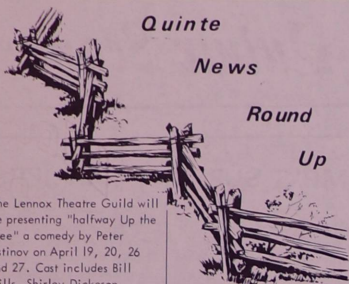

The adjudicator, Dr. Duane Bates, of the Queen's University music department, commended the Napanee band and told them that their test piece, Gustav Holst's "2nd Suite in F for military bands" was extremely well played. In individual scoring, Mr. Bates gave the band a "very good" for intonation and balance and "excellents" for tone, interpretation, and musical effect, and a top-notch marking for choice of music, instrumentation, discipline and appearance.

Other bands playing at the non-competitive festival were Frontenac Secondary School, Sydenham, LaSalle, and Kingston Collegiate and Vocational School.

Vernon Boomhour, Deseronto; Kelly Shea, daughter of Mr. and Mrs. Thomas Shea, Deseronto; Lindsay Sirman of Napanee; Connie and Kim Copeland of Napanee; Susan Gray of Napanee; and Andy Thompson of Napanee.

The adjudicator, Christopher Elton highly commended all for their rehearsal work resulting in well prepared standards of performance, and gave them encouragement for the future.

## Quinte News Round Up

The Lennox Theatre Guild will be presenting "halfway Up the Tree" a comedy by Peter Ustinov on April 19, 20, 26 and 27. Cast includes Bill Mills, Shirley Dickson, Marsha Lisk, Peter Schaub, Percy Weir, Nancy Diamond, Carl Yates, Ralph Dale, and a mystery player known only as "Lesley". Eldon Paulsen is directing.

Unsuccessful in a bid to raise salaries from \$15 to \$25 per meeting in January, Picton Town Councillors voted an increase to \$20 a meeting at the March meeting. The pay will be retroactive to Jan. 1.

Last Thursday night at midnight, an unidentified streaker was spotted on Napanee's main street in the vicinity of the public library. The temperature was a chilling 41 degrees. Streakers were also reported in Picton on Friday night.

Overhanging signs in Napanee have cost \$20,000 to replace. The town's bylaw prohibiting overhanging signs went into effect Dec. 31, 1973.

A Holstein cow owned by Walter Simpson of Point Petre in Prince Edward County gave birth to quadruplets last week. This is believed to be the first time a Prince Edward County cow has had four calves. One heifer calf and

a bull calf were stillborn, one heifer died shortly after birth. The remaining heifer is living.

Provincial Constable Daniel Frank Sisty, son of Constable Harry Sisty of the Picton Police Department recently graduated from the OPP college and has been posted to Perth. Other Picton men recently graduated from the college are Neil Fennell and Sidney Devries.

Napanee Town Council has decided to hire two more constables to supplement the six-man force. The decision follows recommendations by the Ontario Police Commission, which conducted a study of the police services in 1973.

Napanee Fire Department has announced openings for four volunteer firemen.

Picton Town Council will write Prince Edward County Council reminding that work on Johnson Street, a connecting link, has still not been carried out. County Council promised the improvement years ago, but the work has not been carried out. "The road is in rough condition" said Councillor Russell Alexander.

The Napanee District Secondary School production of "Oklahoma" played to a full house last Wednesday afternoon, treating the audience to an excellent and detailed show. "Oklahoma" went before the public Thursday, Friday and Saturday nights.

The Royal Canadian Legion, Women's Auxiliary will be holding a tag day in Picton on June 7 and 8.

HYPOTHERMIA is the number one killer of outdoor recreations. It is a state caused by exposure to cold wetness and wind for a sufficient period of time to drop the internal body temperature, resulting in extreme exhaustion and eventually collapse and death.

Most cases of hypothermia occur in air temperatures between 30 and 50 degrees Fahrenheit. Wet clothing at these temperatures is particularly dangerous as cold water held against the body dispenses body heat faster than it can be generated and energy reserves are rapidly exhausted.

For the outdoorsmen, woolen clothing is by far the best. When wool gets wet, it loses less insulating value than any other type of fabric. This helps to retain body heat. It is also helpful to wear water and wind proof outer clothing that protects the entire body, keeping it warm and dry.

Remember, always dress to suit the weather conditions. Be prepared.

## GOOD NEWS in the news

- State Secretary Hugh Faulkner has announced that the government will help finance two plans aimed at expanding sales of Canadian books. The first program will push to promote sales in schools and universities; the second is aimed at increasing bookstore's stocks of new and past editions.

- Ontario's municipal electric utilities decided to take legal action in the courts

against the provincial government if they do not get sufficient say in the running of the province's electricity system. Only two association members have been appointed to the 12 member board of the Ontario Hydro Corporation.

- residents of an old age home in Albany, N.Y. are being encouraged to drink brandy instead of taking expensive and potent tranquilizers, and the number taking

such drugs has dropped to 18% from 40% in 1966.

- Education Minister for Ontario, Thomas Wells, has told the Ontario Institute for Studies in Education that its next director must be a Canadian. OISE recently placed advertisements in the United States and Britain inviting applications for the post.

- St. Lawrence Sugar Co. has announced a reduction of \$4.55 per 100 pounds in the list price of refined sugar, effective March 6.

- the artificial sweetener, saccharin, which has been challenged as a possible cause of cancer, is safe for human consumption according to a two-year study conducted by the federal health protection branch.

# APRIL AID

## The income tax help system and how to make it work for you.

As you know by now, we changed a lot of things last year. We gave you a new return, a new Guide, several new deductions and a few new rules. And quite honestly, we were more than a little concerned about your reaction to it all. (And very, very interested in your opinions.)

Well, now that we've had time to really look back at it and assess it honestly, it appears that most taxpayers did not seem to find it too difficult. The error rate did not accelerate greatly or change drastically from former years. Generally, most taxpayers seemed to handle their new returns fairly well.

However, Income Tax will never be the easiest or most enjoyable thing in anyone's life. And it will always present problems in some areas, for some people. That's expected and understandable.

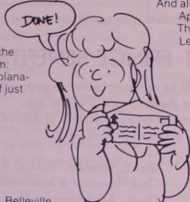

So, What we want to do now is really work on those problem areas. And the best way to do that is to work with you, individually, on whatever part of Income Tax that causes you difficulty.

And that's what April Aid is all about. It's a help system and its primary objective is to ensure that whenever or whatever you need help with, you can get it. And know how to get it.

And this is how it works:

**First.** Your Guide is always the best answer when you have a problem. Read it. Follow it. It not only gives explanations, but in many cases, examples of just how to figure something out.

**Second.** If you're still confused or something just doesn't seem to work, phone. The number of your own District Taxation Office is below and at the end of that number there are people whose only job is to help taxpayers with problems, by telephone. And on Mondays and Tuesdays phone lines are open 'til 6 p.m. So don't hesitate.

If you live outside the office area, call the Operator and ask for Zenith 0-4000. She will automatically connect you to your own District Taxation Office. Remember, all calls are free, all questions are answered, and if you have queries, we want you to call.

**Third.** Some people prefer to talk things over in person. If you're one of them and have problems, drop by for free help. Anytime. The address of your District Taxation Office is below.

**Fourth.** Write. To the address below. Explain your problem as clearly as possible and include all information. (And your return address, please.) In return, we'll answer all letters as quickly and clearly as possible. Remember—if you need help, it's there. (And free). And all you have to do is ask.

April Aid.  
The Income Tax help system.  
Let's make it work for you.

# RATEPAYERS

The Deseronto Ratepayers' meeting held Thursday, March 7, was attended by a larger number of people than for some time. It is hoped that this signifies greater interest in community affairs and that attendance at meetings will continue to increase.

Several matters of general interest were dealt with but considerable discussion time was spent on the subject of the new water filtration system. A letter was received from Clarke Rollins, MPP advising that a representative of the Min-

Mrs. Margaret Jackson, Ministry of Environment would be attending the Council meeting of March 4, and he would answer items of concern. However, it is now known that two men did not arrive that evening until after the adjournment of the council meeting and the public and press had left. Information in newspapers was found to be very contradictory and further attempts are to be made by the association to obtain concrete information.

The next meeting will be held on March 21.

## BRIGHTEN UP WITH BEGONIAS

Apartment balconies shaded from full sunlight make excellent locations for tuberous begonias.

Begonias thrive in a porous, well-drained soil containing from 25% to 50% peat moss. The new soil-less growing mediums are also suitable.

Night temperatures should be around 65° F if possible.

### NATIONAL PETROLEUM CO.

Energy Minister Donald Macdonald detailed in the House of Commons the federal government's plans for the national petroleum corporation.

The Minister said that initially the corporation will focus heavily on exploration and it should also contribute to the development of the Athabasca Oil Sands.

He said that as the corporation develops, it will require hundreds of millions of dollars over the early years of its operation.

Besides its own exploration activities, the corporation will participate in joint ventures with smaller Canadian controlled firms.

ion controlled firms.

### ALBERTA LIBERALS

Nick Taylor, a 46 year old Calgary oil executive, was elected leader of the Alberta Liberal Party, succeeding Robert Russell.

### EXPORTS OF RESOURCES

Industry, Trade and Commerce Minister Alastair Gillespie introduced a bill in the House of Commons to permit the government to require more processing of ores, concentrates and other natural resources in Canada.

The bill, amending the Export and Import Permits Act, would restrict the export of natural resources.

### CONSUMER ASSISTANCE

The federal government has issued regulations to control consumer package sizes and to upgrade information on package labels.

Packagers will have 18-24 months to comply with the regulations. Manufacturers not complying with the new rules could be fined up to \$10,000 for each offence.

### NEW IMMIGRATION RULES

Under changes to Canada's immigration regulations, prospective immigrants will be required to have either a firm job offer or a skill known to be in demand in the locality where they wish to settle.

The basic point system of evaluating immigrants will be maintained, but increased emphasis will be placed on occupational demand.

### WIRETAP CONTROL LAW

Justice Minister Otto

Long announced that the Protection of Privacy Act passed at the last session of Parliament, will come into effect June 30, 1974. After that date, it will be illegal to use, buy or sell wiretapping equipment.

Under the Act, only the police will be permitted to bug, and then only in stipulated situations. Penalties for illegal use of wiretapping equipment include imprisonment for a maximum of five years.

## Notice of Public Hearings into the Transmission of Power from Lennox to Oshawa

1. The Province of Ontario appointed Dr. Omond Solandt, under the Public Inquiries Act, by Order-in-Council OC-836/73 dated the 21st day of March, 1973, "to inquire into the most appropriate route or routes for the transmission of power to the Toronto load centre from Ontario Hydro's existing Lennox Generating Station and proposed stations at Wesleyville and Bowmanville".
2. Commissioner Solandt has requested Ontario Hydro to file a written (technical) report, pertaining to this matter and to present an oral summary of the report to interested parties at a public and press conference beginning at 10 a.m., on April 2, 1974, in the Royal Canadian Legion Hall, 99 Toronto Road, Port Hope, Ontario.
3. Any interested party who wishes to present a brief should file a copy of such brief with the Secretary on or before April 26, 1974, indicating at the same time whether he wishes to speak at a subsequent public hearing and, if so, whether at Port Hope or at Belleville.
4. Any other interested party who wishes to make oral representations at the subsequent public hearings, either personally or through a representative, should indicate his intent to do so in writing to the Secretary, on or before April 26, 1974. Such parties should specify in writing the area of their concern and indicate the nature of the testimony which they wish to give at the subsequent hearings, and whether at Port Hope or at Belleville.
5. Commissioner Solandt will hold a pre-hearing, beginning at 10 a.m., on April 29, 1974, in the Royal Canadian Legion Hall, Port Hope, in order that the schedule and procedures of the subsequent public hearings may be discussed with interested parties.
6. Commissioner Solandt will hold public hearings, beginning at 9:00 a.m., in the Royal Canadian Legion Hall, Port Hope, on May 8, 9, 10, 22, 23, 24, 1974, (and on such additional days as may be required); and at the Four Seasons Hotel, 11 Bay Bridges Road, Belleville, on May 15, 16, 17, 29, 30, 31, 1974, (and on such additional days as may be required), in order that interested parties may have an opportunity to ask questions of Ontario Hydro and to present evidence.
7. To accommodate special circumstances, and unique local concerns, Commissioner Solandt will consider requests, by interested parties, to hold additional hearings in other parts of Ontario, either day or evening sessions. All such requests, however, should be filed with the Secretary on or before April 26, 1974.
8. Copies of Ontario Hydro's report and recommendations will be on view in area Municipal offices, and the Solandt Commission office. Copies of all briefs filed will be on view at the Solandt Commission office, the Royal Canadian Legion Hall in Port Hope, and the Ontario Hydro Eastern Region Office, 420 Dundas Street East, Belleville. Individual copies of Ontario Hydro's report may be purchased from the Ontario Government Bookstore, 880 Bay Street, Toronto.

## ACCIDENTS ON SLIPPERY ROADS

A surprise snowfall over the weekend made driving difficult for all, due to the slippery conditions.

Two accidents were reported in Deseronto, both attributable to the bad road conditions.

At 10:40 a.m. on Sunday, an accident occurred at Main and Fourth Streets, when Douglas Maidment of 50 Grant Street, Toronto, slid through a stop sign and collided with J. Hawley of 488 Main Street, Deseronto. Damage to the two vehicles was estimated at \$225.

At 11:35 on the same morning, Ronald Dennis Hartwick of 12 Bridge Street, Napanee collided with a Voyageur Colonial Bus. The bus, driven by William Matthews of 57 Brock Street in Gananoque,

was parked outside the Bus stop at the time. Injured was Marilyn Pellet, who is being treated at Lennox and Addington County General Hospital for injuries sustained to her left leg. Total damage was estimated at \$1400.

An 8 year old Deseronto girl, Laurie Ann Maracle, was taken to Lennox and Addington County General Hospital after being struck by a truck driven by Percy Austin Maracle last week.

The accident occurred on York Road, west of Highway 49. Miss Maracle was admitted for observation, and suffered mostly abrasions.

Belleville Provincial Police are investigating the accident.

## water project

At the Council meeting on Monday night a letter was received from the Deseronto Ratepayers' requesting information on how the water rates will be set, after installation of the new water filtration plant. The Ratepayers suggested that a flat charge or metre billings be used.

Council has already passed a by-law stating that:

"the total of the charge for water to each Domestic type user is on a Flat Net Annual Service Rate - there will NOT be any frontage or connection

charges billed separately. The user rate home charge/typical Deseronto home will be at the rate of \$90 per year minimum, which covers up to four fixtures, viz. - kitchen sink and 3-piece bath; a further additional Flat Rate of \$6.60 per year will be charged to those users for each additional installed fixture over and above the stated minimum."

The Ratepayers' Association will be advised by letter that this matter was previously attended to.

## Happenings Deseronto

Mrs. Kay Hood

## WHAT COUNCIL DID

At the regular meeting of the Deseronto Town Council held March 18, all Councillors were present with Mayor Sharpe presiding.

During the meeting Council:

- received 2 letters regarding canvases to be held. The Girl Guides will be holding their Cookie Day on May 4, and the Cancer Society will be holding a general canvass during the month of April.

- received 2 letters concerning the removal of trees and a letter from Mrs. Pettis thanking Council for the removal of an elm tree on her property.

- received a copy of a sample Peacetime Emergency Plan from Mr. Duffy, the co-ordinator of the Peacetime Emergency Measures Organization. Mr. Duffy has requested a meeting between his Committee and Council to discuss such a plan for Deseronto.

- received word that the Lottery Licence maximum has been raised from \$3500 to \$5000, by the Ministry of Consumer and Commercial Relations. This was passed on to the Police Committee.

- heard a request from Rev. Bell of St. Mark's Anglican Church that Council consider opening an entrance to the parking lot via Dundas Street, to eliminate the current parking hazard.

- were advised that a settlement has been reached with Mr. Woodcock regarding the drain problem on Mill Street. A fence will also be put along Mr. Woodcock's property to relocate the Town Line.

- received a letter from the Association of Municipal Organizations, asking Council's opinion on the rate increase proposed by Bell Canada. Council will advise that it does not agree with the increase. Councillors Dickin-

son and Neal declared conflict of interest and refrained from voting on the matter.

- agreed that property south of Main Street will be sold to a Mr. Lester for the price of \$2500. No survey has been done on the property, and it is not serviced by Town water and sewer.

- heard Councillor Whalen of the Streets Committee report on a meeting held on March 7. The committee recommends that:

- \* the Town order 2500 gallons of road oil

- \* that a grader be hired for one day

- \* that the plastic water pipe in Centennial Park be put underground to prevent further damage.

- heard the Fire and Police Committee report that a tentative agreement has been reached with the Town Constables. A meeting with the Town Solicitor will be arranged to resolve the matter of signing power for the contract.

- were advised by the Napanee Region Conservation Authority that Project Sweep is planning to remove weeds along the streets of Deseronto and in the Mill Pond along Centennial Park. Deputy-Reeve Percy Brooks has been appointed to make inquiries concerning a boat that will cut weeds under water.

- heard Councillor Dickinson of the Fire and Police Committee advise of services being offered by Mr. Thomas Maracle regarding Animal Control. A meeting will be arranged between Mr. Maracle and the Police Committee to determine if the Town wishes to dispense with the services of the Ontario Humane Society and hire Mr. Maracle's instead. The OHS must receive 90 days notice of termination of service.

- Council adjourned at 11 o'clock.

### Round Up

Residents of Frankford are being advised by the Ministry of the Environment to either boil or chlorinate their drinking water. The Hastings County Medical Officer, C.R. Lenk, who issued the warning, said that reports showed coliform in the municipal water supply, which could indicate the presence of other bacteria. It is suspected that the contamination is merely the result of surface run-off and will even-

tually disappear.

It was announced this week that Belle Theatre in Belleville will show its last picture show on March 31. The Theatre has been sold to the development firm of S. & A. Invest-

ments Ltd. The use to which the theatre site will be put has not yet been announced.

Christopher McLeod has been named the first full-time fieldman for the Quinte area's 854 farmers who are individual service members. Mr. McLeod will work with farmers in Prince Edward, Hastings, Lennox and Addington and Frontenac Counties to assist in strengthening local branches and to assist in farm problems.

A blaze that destroyed McIntosh Boats in Picton has been estimated to have caused \$25,000 damage. Insurance on the York Street business was only \$2000. Two boats under construction, plus

prefabricated parts for others were lost in the fire. The plant employed six men.

Norman Soady of Toronto has been named conciliator between Napanee Industries and its workers, Local 4912 of the United Steel Workers of America. The workers are negotiating a new two-year contract and presently earn \$3.29 per hour. They are asking for a substantial raise as well as improvements in fringe benefits. The company recently laid off 1/3 of its work force due to a shortage in steel supplies.

The Ontario Ministry of Health has decided to restore grants in the amount of \$36,000 for the operation of the maternity wing at Lennox and Addington County General Hospital. The grants were cut off in 1972, but the hospital voted to retain the service by meeting the operation expenses through other means.

The settlement offers an immediate wage increase of 45 cents an hour, and a further 45 cents an hour in the final year of the contract. A cost-of-living clause with a ceiling of 20 cents an hour was included, as was increased life insurance, accident protection, and a new policy with regard to vacations. The contract runs for two years.

## THIS WEEK from Ottawa

### ECONOMY IN GOOD SHAPE

Finance Minister John Turner told the House of Commons that Canada's economic record in 1973 outranks most countries in the world. The Gross National Product grew at a rate of 7.1%, 430,000 new jobs were created - 130,000 more than predicted in the last budget; unemployment declined to 5.6% as compared with 6.3% in 1972.

Exports, housing starts, business capital investment, and consumer spending all showed substantial gains over 1972.

The minister said that "the Canadian economy today is the envy of the world."

### BREAD PRICES

Following a request by Consumer and Corporate Affairs Minister Herb Gray, five bakery companies across the country have agreed to hold back on price increases on bread.

Steinberg's, Weston, Corporate Foods, A&P and Safeway will reduce their anticipated increases on bread by 1-2 cents. This action is a direct result of a recommendation by the Food Prices Review Board.

### MORE PEOPLE EMPLOYED

Statistics Canada reported that 25,000 more Canadians had jobs in February than a

month ago.

The unemployment rate, seasonally adjusted, in February remained unchanged at 5.5% from January.

### PENSIONS GO UP

Old-age pensions will increase from \$108.14 to \$110.09 for single persons and from \$216.28 to \$220.18 for marrieds. This will be their second quarterly increase since the federal government tied old-age pensions to changes in the cost of living.

### LOCOMOTIVE SALE

Prime Minister Trudeau said in the House of Commons that the federal government will ensure that the sale of 25 locomotives to Cuba goes through. He will not let U.S. through. He will not allow U.S. laws to interfere.

"The Canadian government has the means to make sure that this kind of deal which is to the profit of Canadian companies does go through. We have the means to do it and we will exercise those means."

### COMPETITION POLICY

The federal government's competition legislation was reintroduced in the House of Commons by Consumer and Corporate Affairs Minister Herb Gray.

The bill would forbid misleading advertising and give consumers protection on guarantees and warranties.

hostess to the afternoon unit of the United Church Women at her home, for the March meeting. The leader, Mrs. Mabel Moon opened the meeting with prayer and the topic of the meeting was "Time". The hymn, "Faith of Our Fathers" was sung by the members. Mrs. Evelyn Stuart had the devotional and read scripture from Ecclesiastes Chapter 3, Verses 1-9. She also read from old records dated 1901. In 1903, they had mite boxes and the men always washed the dishes after dinners!

The Secretary-Treasurer reports were given. The leader read an invitation to Grace Church, Nananee for their Thank Offering meeting on April 4. The leader announced that both units were to visit Quinte Beach Home on March 14, and take a dessert. The hostess served a delicious lunch.

The Deseronto Branch of the Red Cross held their meeting at the home of Mrs. Ada Boyce, on Wed., March 13, with 9 regular members present, and 2 guests. The president, Mrs. George Lyons was in charge of the meeting and opened with the Lord's Prayer. It was announced that the Red Cross Annual Meeting would be on April 18 and 19 at the Royal York Hotel in Toronto; no action was taken on this. There was a discussion on the rooms at the Post Office to be used by the Red Cross. According to the contract, the rooms are supposed to be cleaned before they move in, so far nothing more has been done about it. Reports were given by various committees. All money was not collected from the canvass on March 11, so final report was not given. The next meeting will be at the home of Mrs. Gordon Walker. Refreshments were served by the

# A point by point primer on how to lose your driver's licence.

It's actually quite simple.

All you do is accumulate fifteen demerit points and lose your licence for thirty days. Do it again and lose your licence for six months.

In this province, it definitely pays a driver to score a big fat zero. Ontario's demerit point system is designed to convince the poor driver to drive properly. Drivers who do not improve are then taken from the road because they're a menace to pedestrians and to other drivers.

But the system is not at all unjust. It's aimed at telling the driver where he's gone wrong and giving him plenty of time to correct his faults.

For instance. When you've accumulated six points, you'll be notified and urged to improve your driving.

When you've got nine, you'll probably be asked to attend a private interview and re-do your driving test.

At fifteen points, you'll lose your licence for thirty days and drop back to seven points. Get fifteen again and you won't drive for six months.

However, your record won't be

indelibly marked. If you drive for two years without a traffic conviction your points are erased and your slate is clean.

**How Demerit Points Accumulate:**

7 points	Failing to remain at scene of an accident (Highway Traffic Act).	
6 points	Careless driving. Racing	Exceeding speed limit by 30 m.p.h. or more.
5 points	Driver of bus failing to stop at unprotected railway crossings.	
4 points	Exceeding the speed limit by 20 to 29 m.p.h. Failing to stop for school bus. Following too closely.	
3 points	Exceeding speed limit by 11 to 19 m.p.h. Driving through, around or under railway crossing barrier. Failing to yield right of way. Failing to obey a stop sign, signal light or railway crossing signal.	Failing to obey directions of police officer. Failing to report an accident to a police officer. Improper passing. Crowding driver's seat. Wrong way on one-way street or highway.
2 points	Failing to lower headlamp beam. Improper opening of vehicle door. Prohibited turns. Towing of persons on toboggans, bicycles, skis, etc. prohibited.	Failing to obey signs other than those mentioned above. Pedestrian cross-over. Failing to share road. Improper right turn. Improper left turn. Failing to signal. Unnecessary slow driving.

The whole point is to score nothing, keep your record clean and drive happily ever after.

## Letter To The Editor

The Deseronto inter-town Baseball and Softball League will commence April 13th and finish July 15th. The league will be broken down as follows:

- I. Boys Minor baseball
  - a) Teams ages 6-9
  - b) Teams ages 10-13
- II. Girls Softball
  - a) Teams ages 6-10
  - b) Teams ages 11-16

There has been no organized ball in Deseronto since 1971.

I was told the league folded because of the poor co-operation from the local citizens. Participation is the vital ingredient for a successful league. So Dad forget about the Saturday T.V. game and show your child interest by getting involved.

We are still seeking coaches and umpires, especially coaches for the girls' teams. It would be an asset if we had some women volunteers. So Mothers, we would appreciate your help too.

I received static from a few local merchants when requesting their sponsorship. This could be expected as the league of 1971 did not control the sweaters and caps sponsored by these merchants. Consequently, they cannot be located, and the league ends up with a bad name.

Well, Mr. Sponsor, this year will be different. The coach will be in possession of the sweaters and caps until game time. At the end of each game these items will be turned over to the coach. Tight control over this matter will insure at least 3 years wear.

Any child in possession of a league sweater or cap, please contact the writer at 396-3070 or Steve Hefferan at 396-2200. We are short of sponsorship, so your co-operation in this matter will be appreciated.

The Recreation Committee would like to express their

thanks to the following sponsors of minor ball: Cassett's Heating, Ike's Taxi, White and Morris Insurance, Quinte Beach Nursing Home, and Deseronto Legion.

We are also grateful to Deseronto Legion, Ideal Venders, Canada Optical, and Deseronto Fire Dept. and P.U.C. for sponsoring our Deseronto F.O.B.A. Team.

Don't forget! Deseronto Minor Ball starts Saturday, April 13th at 1:00 p.m. at the Public School. See you at the ball park.

## Notice of Public Hearings into the Transmission of Power from Lennox to Oshawa

1. The Province of Ontario appointed Dr. Omond Solandt, under the Public Inquiries Act, by Order-in-Council OC-838/73 dated the 21st day of March, 1973, "to inquire into the most appropriate route or routes for the transmission of power to the Toronto load centre from Ontario Hydro's existing Lennox Generating Station and proposed stations at Wesleyville and Bowmanville".
2. Commissioner Solandt has requested Ontario Hydro to file a written (technical) report, pertaining to this matter and to present an oral summary of the report to interested parties at a public and press conference beginning at 10 a.m., on April 2, 1974, in the Royal Canadian Legion Hall, 98 Toronto Road, Port Hope, Ontario.
3. Any interested party who wishes to present a brief should file a copy of such brief with the Secretary on or before April 26, 1974, indicating at the same time whether he wishes to speak at a subsequent public hearing and, if so, whether at Port Hope or at Belleville.
4. Any other interested party who wishes to make oral representations at the subsequent public hearings, either personally or through a representative, should indicate his intent to do so in writing to the Secretary, on or before April 26, 1974. Such parties should specify in writing the area of their concern and indicate the nature of the testimony which they wish to give at the subsequent hearings, and whether at Port Hope or at Belleville.
5. Commissioner Solandt will hold a pre-hearing, beginning at 10 a.m., on April 29, 1974, in the Royal Canadian Legion Hall, Port Hope, in order that the schedule and procedures of the subsequent public hearings may be discussed with interested parties.
6. Commissioner Solandt will hold public hearings, beginning at 9:00 a.m., in the Royal Canadian Legion Hall, Port Hope, on May 8, 9, 10, 22, 23, 24, 1974, (and on such additional days as may be required); and at the Four Seasons Hotel, 11 Bay Bridges Road, Belleville, on May 15, 16, 17, 29, 30, 31, 1974, (and on such additional days as may be required), in order that interested parties may have an opportunity to ask questions of Ontario Hydro and to present evidence.
7. To accommodate special circumstances, and unique local concerns, Commissioner Solandt will consider requests, by interested parties, to hold additional hearings in other parts of Ontario, either day or evening sessions. All such requests, however, should be filed with the Secretary on or before April 26, 1974.
8. Copies of Ontario Hydro's report and recommendations will be on view in area Municipal offices, and the Solandt Commission office. Copies of all briefs filed will be on view at the Solandt Commission office, the Royal Canadian Legion Hall in Port Hope, and the Ontario Hydro Eastern Region Office, 420 Dundas Street East, Belleville. Individual copies of Ontario Hydro's report may be purchased from the Ontario Government Bookstore, 880 Bay Street, Toronto.

## HAPPENINGS

Continued from Page 3

hostess, and a social hour followed.

\*\*\*

The Presbyterian Women's Missionary Society and Ladies Aid met at the home of Mrs. Sam Geddes, on Thurs., Mar. 14. The president, Mrs. Jean Griffiths, welcomed the members and said how glad everyone was to be able to meet with Mrs. Geddes once again. Mrs. Geddes thanked the ladies for the lovely birthday cards. Mrs. Don MacMillan was in charge of devotions and opened with the hymn "O Master Let Me Walk With Thee", a scripture reading and a chapter from the Mission story. Mrs. Blake Moore led in prayer. A lovely reading was given by Mrs. Eric Quirk. Minutes were read and approved. The ladies were reminded of the Church Bazaar and basket drive to be held on April 20. Next month the meeting will be at the home of Mrs. Percy Brooks, on Thurs., April 18th. A short scripture reading and hymn with a reading on "The Hungry" by Mrs. Griffiths, followed by Mizpah Benediction, closed the meeting. Refreshments were served by the ladies including a lovely birthday and St. Patrick's cake, made by Mrs. Dorothy McCullough in honour of Mrs. Geddes 89th birthday. Mrs. Geddes was always a faithful member and until the last few years had the meetings at her home in the winter months. Everyone enjoyed a social hour together.

## Reserve May Get BATA Plant

The Quinte Mohawk Council is negotiating details for a full-scale industry for the reserve. The industry, Bata Footwear, would provide 30 jobs for reserve residents. Mostly women would be hired.

Quinte Mohawk Council and Department of Indian Affairs advisors have been discussing the proposal with Bata for about three months. If an agreement is reached, the plant will locate a production unit in a hangar building on the Mohawk airport site.

The plant would produce leather uppers for shoes from components supplied by Bata. These would be shipped to the company's main production centre at Batawa.

The company would initially employ about 15 women. This would increase in the second year.

Chief William Brant said that council is currently preparing to approach the company with a proposal. No details have yet been revealed.

## NEW LACROSSE LEAGUE

### MARACLE'S MAKE EQUIPMENT

Maracle's Mohawk Centre, located on the Tyendinaga Reserve will be making all sticks, balls and equipment for the new National Lacrosse League being formed in Canada.

The League will stage its opening game at the Montreal Forum on May 15, the next game scheduled in Toronto on May 22. Montreal, Toronto, Washington, Philadelphia and Syracuse are among the teams being entered in the League. Players will be drafted from Ontario, British Columbia and

American Colleges.

Andrew Maracle, Sr., owner of the Maracle Mohawk Centre feels that the formation of a lacrosse league in Canada is long overdue and would like to see the game encouraged on the reserve. "After all, it's our game," he commented.

Players are also being drafted from various reserves, Tyendinaga included.

John Ferguson, former NHL star is co-owner and general manager of the Montreal entry - Les Quebecois. He feels that the game will catch on rapidly as the season falls right between hockey and football.

The Toronto entry is named the "Toronto Tomahawks".

## Reserve Police Get Raise

Quinte Mohawk Council last week raised the wages of its two-man police force, and agreed to another pay increase soon. The agreement raised the pay from \$5,800 to \$7,000.

It was also revealed at the Council meeting that a solution to official recognition of the force's status may have been reached. Council will request the recognition of the constables as provincial police special constables. These would formally authorize them as peace officers, and allow them to carry guns, a privilege which has so far been denied them.

There will be no provincial strings attached since the province was not involved in any funding of the force.

Quinte Mohawk Council recently approved an agreement with a Belleville contractor for major repair of a hangar roof.

Two days after the \$10,000 agreement was signed, the cost of supplies needed went up 60 per cent.

During the policy discussions on Agriculture the Hastings delegates had an opportunity to meet with the Provincial

Minister of Agriculture. L. to R. Ross Parks, Thurlow Township; J.R. Ellis, MP Hastings; Harold Thompson, Huntingdon Twp.;

The Hon. Wm. Stewart; Kel Kincaid, Riding President, Madoc.

## LOCAL PC'S AT MEETING

A number of local delegates and alternates attended the Federal Progressive Conservative National Convention in Ottawa from March 16th-19th. Each of the delegates took part in different policy making

seminars and voted on the nearly 200 policy statements. It will be a number of weeks before all the policy votes are calculated according to Jack Ellis, MP Hastings, who hosted the delegates at various functions.

Mr. Ellis was a panelist on Saturday at the PC Youth Federation meetings as an expert on Unemployment insurance matters, and attended the regular sessions in his role as PC critic for Public Works.

## Quinte News Round Up

The monthly meeting of the Lennox and Addington Historical Society will be on Saturday, March 30 at the Town Hall. Mrs. James Eadie will present "A Look at the Napanee Area in the 1880's."

The SWEEP (Students Working in an Environment Enhancement Program) will again be undertaken by Prince Edward Region Conservation Authority. Twen-

ty seven students will be hired for various clean-up projects such as preparation of teaching guides for conservation areas, the building of a temporary dam at Demoresville, landscaping and general clean-up.

Mayor Lorne Smart Napanee's representative on the Napanee Region Conservation Authority, has released copies of a report outlining a proposed \$121,400 development on the Napanee River.

The report recommends banning motorized vehicles and restricting swimming to the Rotary pool. The plan breaks down the proposed park into three areas:

- in the north section next to the river, the authority building will be located, as will parking, an open field area, a lookout point, a small play area and picnic areas.
- the section in the centre will contain the pool, parking, a totlot and the main play area.
- the third area will have picnic and sitting sections on both sides of the stream.

Public washrooms will be

built into the authority building adjacent to Pearl Street.

The consultants have recommended that construction be undertaken in four stages.

Lennox and Addington Hospital Auxiliary presents an Easter fashion show on Wednesday, March 27 at Westdale School at 8 p.m. Fashions are by Bernice's Ladies' Wear. Admission is \$.50 per person, including door prize and tea.

A six year old Point Anne girl was rushed to Belleville hospital last week after being struck by a car as she ran across Highway 2. Dana Galloway, of R.R.#4, Belleville was hit by Gary Richard, also of R.R.#4, Belleville. The girl was held for observation at BGH. No charges are being laid.

Lennox Theatre Guild is holding auditions on Sunday, March 24 at 1:30 p.m. for "The Hand that Cradles the Rock" at the playhouse. The play is by Warren Graves and calls for two men and three women. It will run May 24, 25, 31 and June 1.

A Bloomfield woman was killed near Waring's Corners, two miles west of Picton on Saturday morning. Patricia Macdonald of 29 Stanley Street was pronounced dead on arrival at Prince Edward County Memorial Hospital, after she fell out of a car driven by her sister, Donelda Macdonald of the same address. Damage to the car was minimal. Picton OPP are investigating.

Motorists passing the Mountain View Airfield on Highway 14 north of Picton last Monday night may have been witnesses to an apparent airplane crash. Flaming wreckage, emergency equipment and fire crews were on the scene as about 75 men from the Canadian Forces base in Trenton simulated a disaster to "test the alerting system and check our emergency capabilities." Several persons were concerned enough to report the "crash" to local authorities.

A few ladies from the Presbyterian Church, Mr. Ernie Crisp and two young members of the Rob Roy Dancers, from Kingston, entertained at the Lenado Home for the Aged on Wednesday evening, March 20.

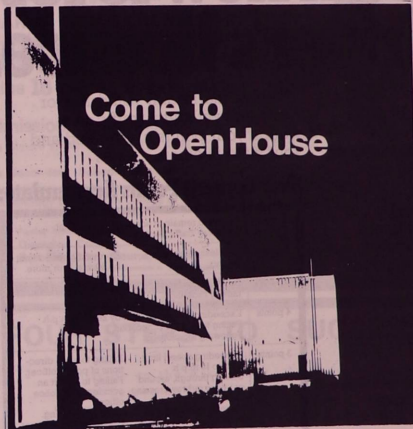

Mrs. Jean Griffiths was Master of Ceremonies. They opened with the singing of the "Rose of Tralee".

Mrs. Griffiths gave several solos on her mouth organ. A very impressive skit called "The Old Ditchdigger" was given by Jean Griffiths and Ernie Crisp, Jean doing the reading and Ernie singing "I'm a Child of the King". It was enjoyed by all.

Many old favourite songs and hymns were sung during the evening including "How Great Thou Art", by Ernie Crisp and "More About Jesus" by Mabel Moore and Jean Griffiths. They were accompanied by Mrs. Dorothy

McCullough on the piano, who also gave a piano solo. Kim Barbier danced an Irish jig. Bonnie Sutherland a hornpipe and together they danced a "Sean Truibhas". They were accompanied by a tape recording of Kim's brother, Piper Peter Barbier, of the Rob Roy Pipe band.

At the close of the evening all the group joined in singing "God Be With You Until We Meet Again."

# A point by point primer on how to lose your driver's licence.

It's actually quite simple.

All you do is accumulate fifteen demerit points and lose your licence for thirty days. Do it again and lose your licence for six months.

In this province, it definitely pays a driver to score a big fat zero. Ontario's demerit point system is designed to convince the poor driver to drive properly. Drivers who do not improve are then taken from the road because they're a menace to pedestrians and to other drivers.

But the system is not at all unjust. It's aimed at telling the driver where he's gone wrong and giving him plenty of time to correct his faults.

For instance. When you've accumulated six points, you'll be notified and urged to improve your driving.

When you've got nine, you'll probably be asked to attend a private interview and re-do your driving test.

At fifteen points, you'll lose your licence for thirty days and drop back to seven points. Get fifteen again and you won't drive for six months.

However, your record won't be

indelibly marked. If you drive for two years without a traffic conviction your points are erased and your slate is clean.

**How Demerit Points Accumulate:**

7 points	Failing to remain at scene of an accident (Highway Traffic Act).	
6 points	Careless driving Racing.	Exceeding speed limit by 30 m.p.h. or more.
5 points	Driver of bus failing to stop at unprotected railway crossings.	
4 points	Exceeding the speed limit by 20 to 29 m.p.h. Failing to stop for school bus. Following too closely.	
3 points	Exceeding speed limit by 11 to 19 m.p.h. Driving through, around or under railway crossing barrier. Failing to yield right of way. Failing to obey a stop sign, signal light or railway crossing signal.	Failing to obey directions of police officer. Failing to report an accident to a police officer. Improper passing. Crowding driver's seat. Wrong way on one-way street or highway.
2 points	Failing to lower headlamp beam. Improper opening of vehicle door. Prohibited turns. Towing of persons on toboggans, bicycles, skis, etc. prohibited.	Failing to obey signs other than those mentioned above. Pedestrian cross-over. Failing to share road. Improper right turn. Improper left turn. Failing to signal. Unnecessary slow driving.

The whole point is to score nothing, keep your record clean and drive happily ever after.

# GOOD NEWS in the news

- A system has been worked out that would enable housewives to join the Canada Pension Plan as contributors.

The plan proposes that where only one spouse works, 50% of the contributions of

that spouse will go towards the other's pension. Where both are working, 50% of the contributions of each will go toward the pension of the other. Consequently, when the wife or husband withdraws

from the labour market, the payments of the spouse toward the other will continue.

- the government may amend the Statistics Act to prevent Statistics Canada selling official mailing lists to private business. Past sales of the lists, compiled by the revenue department, are legal under the act.

- turning down the thermostat in federal government buildings because of the energy shortage saved taxpayers \$30,000 in January at one Ottawa heating plant.

Victor Boulanger, chief engineer at the government's Cliff Street heating plant, said the plant produced 22 million pounds of steam less than in January, 1973, despite the fact that January this year was colder.

It is now well past mid-winter. The record of snowmobile fatalities for the current season was exactly the same as one year ago. The winter is half over and thirty-two snowmobilers have become fatality statistics. Many organizations are concerned with the promotion of safe snowmobiling. They have all been emphasizing the hazards of ice travel this winter because of the unprecedented and tragic loss of life among snowmobilers through drowning. Perhaps these efforts are effective as only five snowmobilers have drowned this season, to date, as compared with fifteen during the same period last year. Twenty-six snowmobilers have been killed mainly in collisions with parked or moving motor vehicles. Keep your snowmobile on snow where it belongs and use roads only with extreme caution.

**FARM INCOMES UP**

Due to the skyrocketing grain prices, farm cash receipts for farmers in all the Prairie provinces have increased by more than 100% from the last year.

Saskatchewan farmers increased their cash income by 121% from the same month last year. Farmers in Manitoba got 129% more than in January 1973. Alberta farmers received 97% more.

**BEEF PRICES TO DROP**

The recently announced federal government subsidy on Canadian beef will cause retail beef prices to drop 15 to 20 cents a pound in a week or two.

Agriculture Minister Eugene Whelan announced that the government will pay seven cents a pound on Canadian cattle for Canadian consumption. The subsidy is designed to provide adequate income to farmers and to permit Canadian farmers to compete with prices on U.S. beef that has glutted the Canadian market.

Since the announcement of the original subsidy, the minister has said that the federal government will raise the amount to nine cents from seven cents a pound to protect Canadian beef farmers.

**OIL SUBSIDY - \$1.4 BILLION**

Energy Minister Donald Macdonald has revealed that the subsidy to oil consumers in Eastern Canada will cost the federal government a total of \$1.4 billion this year.

**RURAL DEVELOPMENT**

Ottawa and Alberta have signed a 10-year general development agreement.

The agreement will emphasize joint federal-provincial aid in job creation in rural areas. Similar regional economic expansion agreements remain to be signed with British Columbia, Manitoba, Quebec, Nova Scotia and New Brunswick.

**Notice of Public Hearings  
into the Transmission of Power  
from Lennox to Oshawa**

1. The Province of Ontario appointed Dr. Omrod Solandt, under the Public Inquiries Act, by Order-in-Council OC-836/73 dated the 21st day of March, 1973, "to inquire into the most appropriate route or routes for the transmission of power to the Toronto load centre from Ontario Hydro's existing Lennox Generating Station and proposed stations at Wesleyville and Bowmanville".
2. Commissioner Solandt has requested Ontario Hydro to file a written (technical) report, pertaining to this matter and to present an oral summary of the report to interested parties at a public and press conference beginning at 10 a.m., on April 2, 1974, in the Royal Canadian Legion Hall, 99 Toronto Road, Port Hope, Ontario.
3. Any interested party who wishes to present a brief should file a copy of such brief with the Secretary on or before April 26, 1974, indicating at the same time whether he wishes to speak at a subsequent public hearing and, if so, whether at Port Hope or at Belleville.
4. Any other interested party who wishes to make oral representations at the subsequent public hearings, either personally or through a representative, should indicate his intent to do so in writing to the Secretary, on or before April 26, 1974. Such parties should specify in writing the area of the concern and indicate the nature of the testimony which they wish to give at the subsequent hearings, and whether at Port Hope or at Belleville.
5. Commissioner Solandt will hold a pre-hearing, beginning at 10 a.m., on April 29, 1974, in the Royal Canadian Legion Hall, Port Hope, in order that the schedule and procedures of the subsequent public hearings may be discussed with interested parties.
6. Commissioner Solandt will hold public hearings, beginning at 9:00 a.m., in the Royal Canadian Legion Hall, Port Hope, on May 8, 9, 10, 22, 23, 24, 1974, (and on such additional days as may be required); and at the Four Seasons Hotel, 11 Bay Bridges Road, Belleville, on May 15, 16, 17, 29, 30, 31, 1974, (and on such additional days as may be required), in order that interested parties may have an opportunity to ask questions of Ontario Hydro and to present evidence.
7. To accommodate special circumstances, and unique local concerns, Commissioner Solandt will consider requests, by interested parties, to hold additional hearings in other parts of Ontario, either day or evening sessions. All such requests, however, should be filed with the Secretary on or before April 26, 1974.
8. Copies of Ontario Hydro's report and recommendations will be on view in area Municipal offices, and the Solandt Commission office. Copies of all briefs filed will be on view at the Solandt Commission office, the Royal Canadian Legion Hall in Port Hope, and the Ontario Hydro Eastern Region Office, 420 Dundas Street East, Belleville. Individual copies of Ontario Hydro's report may be purchased from the Ontario Government Bookstore, 880 Bay Street, Toronto.

## Keeping it clean

with Bill Dodds

Thinking ahead.....

I know that summer is still some time away, but we're getting enough warm days to at least start thinking about it.

It shouldn't be too long before you can get out and start up the back yard barbecue. And when you do, there's a better way of lighting the charcoal, I'm told.

Just once, forget about the lighter fluid and the electric starting gadget. They're just a waste of money and energy.

Take a large tin can - the family size fruit juice tin is about right - and cut off both ends. Punch a healthy number of holes around one end. Then put the can - holes down - in the barbecue, put in crumpled paper and top off with charcoal.

Shove a match through one of the holes to ignite it from the bottom.

The efficient draft gets the coals burning well without

artificial assistance and when they are all glowing properly, the can may be pulled out with a coathanger or a piece of wire. The coals should just fall into place.

Try it. It saves money, and the whole thing is accomplished without the clouds of black smoke that bring complaints from the neighbours.

I just heard about this a couple of months ago. I'm going to try it myself - when the weather gets a little warmer.

I assume that when summer gets here we will still be able to afford to burn paper.

The price of good used

paper has gone up substantially over the past few months and recycling groups are getting a welcome increase in income to underwrite their operations.

In fact, the price increase is causing some concern in areas like Metropolitan Toronto, where there are municipal paper pickups. Officials there have begun to worry about paper pirates, lifting bundles off the streets before the municipal collection can get them.

Imagine that. The garbage you throw away is worth stealing.

### ONTARIO'S NEW TAX CREDIT SYSTEM:

**2 out of 3  
Ontario residents who file  
income tax returns this year  
will share \$300 million  
in tax credits.**

**(Even if they don't pay income tax!)**

Families, pensioners, roomers, boarders, the handicapped and others will benefit. Ontario's new Tax Credit System provides for three separate credits, and here's how they work:

1. People who own or rent (including roomers and boarders) may share in the **Property Tax Credit**.
2. People who fill out a Federal income tax return may share in the **Sales Tax Credit**.
3. People over 65 may share in the **Pensioner Tax Credit**.

**You must fill out a Federal income tax return.**

The new purple Ontario Tax Credit Form comes attached inside it. So even if you don't pay income tax, you should still file a Federal income tax return with the Ontario Tax Credit Form this year.

**We want you to get your fair share of Ontario's tax credits.**
